

WellCare will designate and fully support capable, ready, and actionable resources, to include but not limited to the Company's Special Investigation Unit (SIU), automated technology tools, specialized business partners, and outside agencies, whether state or federal, in the vigorous pursuit of any fraudulent, abusive, or wasteful activity. WellCare will utilize a multi-faceted plan, spearheaded by the Chief Compliance Officer, which identifies, investigates, and moves to resolve any such activity, and will act to prevent such activity from occurring whenever possible.

WellCare encourages the reporting of any potentially fraudulent, abusive or wasteful activity. Members, Providers, Associates, Business Partners, Vendors, or any other person with knowledge can contact WellCare by calling the confidential TRUST Hotline at 866-678-8355.

It is estimated that well over \$100 Billion in healthcare fraud occurs annually. That number is expected to escalate as the Medicare Part D Program has been launched as of 01/01/2006. Please help us protect your tax dollars.
